MEMORANDUM

TO: Membership Recruitment & Retention Working Party

SUBJECT: Service Usage

DATE: 16 March 1999

1. Further to the chairman's memo of 10 March 1999, please find attached most of the information requested in MRR 9/2 March 1999.
2. Of the services listed in MRR 9/2 March 1999:
 - the Edgar Parnell seminar of 20 April 1996 was organised by the Asia Pacific Co-operative Training Centre. The secretary has no details on attendances at the seminar on file, as the Federation did not receive registration forms or cheques.
 - no members have sought Statutory Forms from the Federation.
 - my recollection is that the Taxation Advisory Service never got off the ground because the board was unwilling to fund the service. As a result, the reference to the tax service was omitted from the second version of the CFV brochure.
 - I no longer maintain a data base on VCN. The information required on the bulk distribution of VCN can be obtained from the chairman.
3. As the information requested falls within the consultancy agreement, no funding or board approval is required.

Tony Gill
Secretary
